MESSAGE FROM THE CEO

At FHM General Transport, we have built our foundation on a commitment to excellence, innovation, and customer satisfaction. Since our inception in 2008, our journey has been driven by a clear vision: to redefine transportation and machinery services while setting new benchmarks in quality and reliability.

Every milestone we achieve is a testament to the trust and confidence our clients place in us. It is this trust that motivates us to continuously evolve, adopt cutting-edge technology, and deliver customized solutions that meet the unique needs of each project.

Our dedicated team of professionals is the backbone of our success. Their expertise, passion, and unwavering focus on safety and efficiency have allowed us to become a trusted name in the industry.

At FHM General Transport, we don't just deliver services—we create partnerships. Together, we build success stories that drive growth and progress for our clients and our community.

Thank you for your continued support. We look forward to powering your success.

- **Focusing on exceeding customer expectations** with precision and reliability.

Our Mission

To set the benchmark as the premier provider of construction rental machinery, ensuring unmatched customer satisfaction. We achieve this by consistently expanding our fleet, leveraging cutting-edge equipment, and delivering reliable solutions to meet the dynamic needs of our valued clients.

OUR SERVICES

Comprehensive Solutions,
Reliable Services
Empowering Your Projects
with Excellence

SERVICES WE OFFER

FHM General Transport delivers a broad range of specialized services tailored to meet the diverse needs of our clients. With a focus on innovation, quality, and reliability, we are your trusted partner for all your transportation and machinery requirements.

COMPREHENSIVE MACHINERY SOLUTIONS

We provide cutting-edge machinery solutions to streamline your construction projects. Whether you need equipment for excavation, demolition, or roadwork, our expert team ensures the right tools are delivered to maximize efficiency and productivity.

EXPERT DEMOLITION SOLUTIONS

Our specialized demolition services include advanced equipment and highly trained operators to handle projects of all sizes. From site preparation to structure dismantling, we ensure precision, safety, and minimal environmental impact.

MACHINERY RENTAL AND LEASING SERVICES

Access a wide range of high-performance machinery without the long-term commitment. Our rental and leasing solutions are flexible and affordable, allowing you to scale your operations as needed.

MAINTENANCE AND SUPPORT

We provide ongoing maintenance and technical support for all rental machinery, ensuring minimal downtime and peak operational efficiency. Our team of skilled technicians is available round-the-clock to address any issues promptly.

ADVANCED TECHNOLOGY SOLUTIONS

We utilize state-of-the-art technology in our machinery and operations to enhance precision and performance. From GPS-enabled equipment tracking to intelligent systems that optimize fuel efficiency, we deliver next-generation solutions for your projects.

HEAVY TRANSPORT SERVICES

We specialize in the safe and efficient transport of heavy machinery and construction equipment. Our fleet is equipped to handle oversized loads, ensuring timely delivery to your project sites.

HEAVY EQUIPMENT

"Powering Your Projects with Advanced Machinery Efficient, Reliable, and Ready for Every Challenge."

CORE AREAS OF WORK

MACHINERY RENTAL BUSINESS

We provide modern, high-performance heavy machinery to meet diverse project needs:

- Shovels
- Bulldozers
- 3XL and 2XL Heavy Vehicles
- 6-Wheel Trucks

Rental Plans:

- Hourly, daily, or monthly options available, customized to suit your project requirements.
- All equipment is meticulously maintained to ensure optimal performance and safety.

EXCAVATION WORKS

We specialize in deep excavation services for large-scale construction and infrastructure projects.

- Equipped with state-of-the-art machinery and advanced techniques for precision and efficiency.
- Our expertise guarantees that site preparation and groundwork align with industry standards and adhere to project timelines.
